IMPORTANT INFORMATION

EXPIRATION. This passport is valid for five years unless expressly limited to a shorter period. The expiration date is given on page two.

NEW PASSPORT. This passport should be presented when applying for a new passport.

TRAVEL IN DISTURBED AREAS. If you travel in disturbed areas, you should keep in touch with the nearest American consular office.

PROLONGED RESIDENCE ABROAD. If you reside abroad for a prolonged period, you should register at the nearest American consular office.

LOSS OF NATIONALITY. You may lose your United States nationality by being naturalized in, or by taking an oath or making a declaration of allegiance to, a foreign state; or by serving in the armed forces or accepting employment under the government of a foreign state. For detailed information, consult the nearest American consular office.

WARNING TO DUAL NATIONALS. A person is considered a dual national when he owes allegiance to more than one country at the same time. A claim to allegiance may be based on facts of birth, marriage, parentage or naturalization. A dual national may, while in the jurisdiction of the other country which considers him its national, be subject to all of its laws, including military service. If difficulties occur, consult the nearest American consular office.

ALTERATION OR MUTILATION OF PASSPORT. This passport must not be altered or mutilated in any way. You must not alter any dates or make any changes in your description, on the photograph, or on any other page of this passport. Alteration may make it invalid and, if willful, may subject you to prosecution (Title 18, U.S. Code, Section 1543). Only authorized officials of the United States or of foreign countries, in connection with official matters, may place stamps or make statements, notations or additions in this passport. However, you may amend or update information supplied by you on the inside of the front cover of this passport, if necessary.

GENERAL INFORMATION

IMMUNIZATIONS. Under the International Health Regulations adopted by the World Health Organization, an International Certificate of Vaccination against smallpox may be required as a condition of entry to any country. An International Certificate of Vaccination against yellow fever may be required by some countries. Cholera certificates are no longer required. For return to the United States, only a smallpox certificate will be required if, within the past 14 days, a traveler has visited a country reporting smallpox. Specific information on required and recommended immunizations and prophylaxis for travel to all areas of the world may be obtained from your local or State health department.

HEALTH INSURANCE. Persons contemplating travel abroad should contact their medical insurance company to determine what coverage, if any, they have while outside the U.S. Generally Social Security Medicare does not cover health care expenses outside the U.S.

CUSTOMS SERVICE. Know before you go. The pamphlet "Customs Hints" gives you current pertinent information about Customs requirements, and how they apply to articles acquired abroad. Obtain a copy from your nearest customs office or from U.S. Customs, P.O. Box 7118, Washington, D.C. 20044.

TREASURY. Treasury regulations prohibit the unlicensed purchase or importation of merchandise of Cuban, North Korean, North Vietnamese and Rhodesian origin. For information, write to the Office of Foreign Assets Control, Treasury Department, Washington, D.C. 20220.

AGRICULTURE. Your reentry into the United States will be speeded if you bring with you NO foreign meat, other animal products, fruits, vegetables, plants, soil, or other agricultural items. It is unlawful to import foreign agricultural items without permission, since they may be the means of introducing destructive plant or animal pests and diseases. For specific information, write "Quarantines," PPQ, APHIS, U.S. Department of Agriculture, Hyattsville, Maryland 20782.
