The Lint Condenser is an attachment suited to any ordinary Cotton Gin; it receives the lint as it is discharged from the gin, condenses it and delivers it compact, ready for the press at one and the same operation, and at the same operation cleanses it from all earthy matter, as sand, dust, &c. It dispenses with the necessity of any lint room and large buildings, as the Gin may be equally as advantageously used in the field as the grain thrasher, and when used in buildings it requires no more additional room than the size of the Gin itself occupies. It is also a perfect safeguard against fire, as it is impossible for burning lint to pass through the machine without the fire being extinguished in its passage, thus making this Cotton Gin with its condenser fire-proof. They have been extensively used in Georgia the past two crops, and the cotton made by them has commanded an advanced price over that ginned by the best machines in use.

GREAT CURE.

DR. LELAND'S

ANTI-RHEUMATIC BAND

The only known Remedy

FOR

RHEUMATISM, GOUT, AND NEURALGIA;

Also a Sure Cure for all

MERCURIAL DISEASES.

Office, 409 Broadway, New York.

G. SMITH & COMPANY, SOLE PROPRIETORS.

DR. LELAND'S ANTI-RHEUMATIC BANDS will be found a perfect, safe, reliable, and effective remedy, *never failing to effect a* PERFECT CURE, even in the *most aggravated forms* of the disease. Moderate cases are cured in a few days, without drugging the system with noxious and poisonous minerals, or scarifying the flesh with blisters.

The medicinal curative properties are contained in a conveniently arranged BAND, which is worn around the body, without injury to the most delicate persons. These ingredients are of a highly AROMATIC and VOLATILE NATURE, AND ARE TAKEN UP BY ABSORPTION THROUGH THE PORES OF THE SKIN, HAVING THUS A DIRECT ACTION UPON THE BLOOD, removing its acrid and acid properties, and restoring it to its normal healthy tone and standard.

DR. LELAND has analyzed and investigated the character of the blood in these diseases, and has compounded a combination of remedies *capable of being readily absorbed*, for the purpose of changing the deleterious character of the blood, and restoring those elements that are deficient.

The curative properties being taken up by ABSORPTION, are CARRIED DIRECTLY INTO THE CIRCULATION without going through the process of digestion, which would tend not only to impair and destroy their remedial properties, but if taken internally in sufficient quantities to produce the desired effect, would tend to derange the digestive organs. A few days' trial of these BANDS will convince the most sceptical of their infallibility in obtaining the end for which they are designed, viz.: EFFECTING A PERFECT CURE, AND RESTORING THE PARTS AFFLICTED TO A HEALTHY CONDITION. Numberless testimonials of their efficacy could be presented, but conscious that wherever tried they will effectually proclaim their own merits, we content ourselves with presenting a few certificates on the last page, more to show the *range* of their cura-

ANTI-RHEUMATIC BAND—C. SMITH & CO., 409 BROADWAY.

RHEUMATISM,

Either chronic or acute, in whatever stage or form it may present itself, readily yields to the powerful curative properties of these BANDS, and generally after a few days' persistence in their use the most confirmed Rheumatic throws away his crutches, and stands erect with healthy limbs and unstiffened joints, the rejuvenated blood courses through the arteries with renewed elasticity, and the rose of health blooms upon the lately sallow and sickly cheek. Rheumatic sufferers are *assured* that this is no typical illusion; **Dr. Leland's Anti-Rheumatic Band** will assuredly prove their sheet-anchor of hope in this distressing and painful malady.

GOUT.

This enemy of the luxurious and epicurean aristocracy has *never* been successfully combated until the discovery of **Dr. Leland's Anti-Rheumatic Bands.** The acrid and acidulous properties of the blood induced by an epicurean diet, and vinous potations, are effectually *counteracted* and *neutralized* by the judicious combination of the remedies contained in these BANDS. The pampered appetite and impaired digestion acquire a new tone and vigor, and the sluggish blood, freed from its impurities, is restored to new life and energy. To all suffering from this disease, we can conscientiously say, that in **Dr. Leland's Bands** they have a *safe* and *effective* remedy, and one that will not interfere with their daily avocations and pleasures.

NEURALGIA.

There is no disease that affects the human organism more painfully than this; having its seat in the nerves themselves, the very centre of sensation, the agony produced is oftentimes almost beyond the powers of human endurance. These diseases of the nerves have their origin in a *diseased state of the blood*, and the only proper remedy consists, not in deadening and stupefying the system with opiates and narcotics, but in *restoring* to the blood its normal properties. This is effected by means of **Dr. Leland's Anti-Rheumatic Band**, which carries *directly* to the blood its lacking constituents, and thereby restoring a healthy action to the diseased nervous system.

MERCURIAL DISEASES.

We desire to call the particular attention of all those suffering from the evil effects of MERCURY to the powerful ANTI-MERCURIAL properties of the valuable remedies contained in **Dr. Leland's Bands.** They completely neutralize the *Mercurial poison*, and expel it from the system. We can confidently assure those whose bones are rotting, and whose bodies are covered with sores, from the abuse of MERCURY, that these BANDS will exercise a *specific* influence in expelling the noxious mineral from the system.

Why, then, will you continue to suffer, when, for the small sum charged for the BAND, you may, instead of the *leprous* and pitiable object, with diseased bones and tottering frame, become what GOD and NATURE intended you to be, A MAN, with health blooming upon your cheek, with an upright frame and healthy organism.

DIRECTIONS FOR USE.—Buckle the Band close around the body, placing the linen side next to the skin. The first application should be for about twelve hours, then remove for the same length of time; again apply for twenty-four hours, and remove as before, allowing it to remain longer each time applied. After the first few applications, the Band may be worn constantly, until the disease is entirely removed. When not in use, keep it inclosed in the case, to exclude the air. The bowels should be kept open with some light laxatives, such as **Magnesia** or Rhubarb. The body should be kept warm and the feet dry, and exposure and sudden changes avoided.

PRICE, $2, Inclosed in a neat case, and to be had of Druggists generally, or can be sent by mail (postage 20 cents) or express, with full directions for use, to any part of the country, from the principal office, **409 Broadway, New York.**

TESTIMONIALS.

Reading, Pa., May 3, 1859.—For twenty years I have been grievously afflicted with Chronic Rheumatism. Last fall I was recommended by a friend, who had been relieved, to try your Anti-Rheumatic Band. It is now over eight months since I first put it on, and I am happy to state to you that I have not felt a rheumatic pain since the first three weeks of its trial.—C. C. SPAULDING.

Albany, June 10, 1860.—For years past I have been afflicted with hereditary gout. The least cold or dampness of my feet was sure to bring on an attack. I wore your Anti-Rheumatic Band for one month, and since that time have had no further use for it, or any other medicine, though I am constantly exposed to all kinds of weather.—WILSON HUTLEY.

Janesville, Wis., Nov. 16, 1860.—I cannot express what I have suffered for the last two years from Neuralgia. By recommendation, I was induced to try your Anti-Rheumatic Band, and it has either driven out the disease, or it went out of its own accord, soon after I tried it.—EMILY M. BAXTER.

Baltimore, Dec. 19, 1860.—I have been a great sufferer for more than four years, in consequence of using large quantities of Mercury. At times nearly my whole body was covered with sores, and the painfulness of my bones was a sure indication of the approach of a storm, and the least dampness of my feet would lay me up for weeks. I have worn the Band for three months, and am still wearing it, but since the first month I have been entirely relieved
