To Br Gen Williams

Investigation of the resignation of Lt. Col Cavada shows this - Lt. Col Morgan Chief of Staff ordered the a. a. g. to make the order supposing that it was my wish without consulting me. Capt. Cavada of Gen. Humphreys staff told me that the Colonel intended to resign & I advised it without any intention of acting on it at that time. I will revoke the order if the Maj. Gen. desires it. I do not believe the charges originate in any thing but ill feeling -

of the diet to which he was confined while in  
the Libby, from which he can not be expected  
to recover with the diet and exposures  
necessarily incident to an active Campaign

Lieut. Col. Cavade, of the 114<sup>th</sup> Regiment

having applied for a certificate on  
which to ground an application for  
leave of absence I do hereby certify  
that I have carefully examined this  
Officer and find that he is suffering  
from an injury of the spine which  
judging from the symptoms has  
resulted in partial paralysis of the  
urinary organs. In the latter end of  
September 1862 he was thrown from  
his horse injuring the left knee and  
producing inflammation of the joint  
and at the battle of Fredericksburg being  
thrown from his horse injured the  
same knee - the joint not having en-  
tirely recovered. Injuries of the spinal  
column and of joints require great  
care and absolute rest and I therefore  
think it necessary that he should be  
removed to prevent permanent dis-  
ability

Respectfully returned to the Adjutant General - These papers were received at these Head Quarters June 8. 1864. I am directed to enquire whether you have accepted the resignation of Lieutenant Colonel Cavada, 114<sup>th</sup> Pennsylvania Volunteer, and if so under what circumstances - In case the resignation of Lieut. Col. A. A. G. 3<sup>rd</sup> Div 2<sup>nd</sup> Corps.

I have the honor hereby to tender my resignation from the service of the United States for the following reasons, set forth in the accompanying Surgeon's certificate.

Physical disability to perform military duty - The unyielding nature of the disease from which I am suffering, and the length of time indicated as necessary for the recovery of my health.

Regretting the necessity which compels me to solicit this exemption from further duty for the present with an Army with which I have had the honor to serve since its original organization -

I remain Very Respectfully  
Your Obedt. Servt

The resignation of Lieutenant Colonel Cavada is respectfully forwarded to the Adjutant General for file in his office. At the time the resignation was accepted by the Corps Commander, charges of a serious character were pending against Lieutenants Colonel Cavada which were forwarded to the War Department the 25th instant with an endorsement of which a copy is herewith. The circumstances under which

(over)

the resignation was accepted will be seen by a reference to the accompanying papers. I recommend that Lieutenant Colonel Cavada should not be permitted to re-enter the Military Service of the United States -

Ord Du 114<sup>th</sup> Regt Public  
July 19<sup>th</sup> 1864

General, By Special Order No. 134 Ord Du  
Army of the Potomac, of May 17<sup>th</sup> 1864.  
Lt Col F. F. Cavada, of this Regiment,  
was ordered to report to Major Genl.  
L. B. Snodgrass, Commandg 3<sup>d</sup> Div, 2<sup>d</sup> Corps,  
for duty on his Staff—

Previous to that date Charges of  
a very serious Character had been  
perfomed against him, and I suppose  
that when the exigencies of the service  
would permit, he would have been  
brought to trial.

I am now unofficially informed  
that Lt Col F. F. Cavada, having  
tendered his resignation it has  
been accepted, and he has thus  
received an honorable dis charge from  
the service.

I would respectfully ask for  
a copy of the order accepting his

Resignation, so that it may appear  
on record in this Office that the  
vacancy exists, and also for  
information as to what disposition  
was made of the charges before  
mentioned -

I have the honor to be  
Yours etc.

General.

I have the honor to submit the following  
Statement concerning the resignation of Lieut Col  
Cavader of 4<sup>th</sup> Penn. Vol.

About the 21<sup>st</sup> inst Capt-Cornwall of Gen  
Humphreys staff came to these Headquarters with  
the tender of resignation from his brother, accom-  
panied by the promised honorarium certificate, regularly  
forwarded from Headquarters 3<sup>d</sup> Division - Capt Cavader  
stated that his brother was quite ill at his quarters.  
Knowing him to have been very recently in Gen Birney's  
Staff, and all the papers being regular, I handed  
them to the Adj. Genl [Gen Birney being  
absent] with directing to act at once as  
Capt Cavader was waiting for the order. It  
did not occur to me, nor did it happen  
to the Adj. Genl that Capt Cavader's Regt was  
on duty at Head Quarters of the Army. neither was  
it known that there were charges lodged  
against him. The paper was therefore  
acted on entirely as a matter of ordinary

continue business, except that nothing can  
be done it was given precedence over other  
business.

Very respectfully

Chas. Brown
