

*Col. E. J. C. Kewen, Commissioner for Nicaragua.*—We had the pleasure of an introduction to and interview with Col. KEWEN, of Mississippi, formerly Attorney General of California, who bears with him the credentials of President WALKER, as Nicaraguan Commissioner to the Southern States. He is an intelligent and interesting gentleman, who is desirous of enlightening our citizens on Nicaraguan affairs, and contemplates inviting a public meeting to that end. He bears letters to Gen. GADSDEN, Gov. Aiken, and others, of our citizens; and lodges at the Mills House, in this city.
