LECOMPTON, K. T. THURSDAY MORNING, NOV. 19, 1857

THE EDITOR IS Still absent.

20" The Eurous is still absent.

Yoting on the Constitution.

The foresterns in the Territory, and the five-sterns existence in the Territory, and the five-sterns existence in the territory of what it may be a simple of the constraint of the territory of the te

for this opinion, which in fact he mover contentioned.

Col. JATTHESON DATES, in his recent years and Mississippi city, in the Sinte of Miss, control and an argument to prove that the Consortioned Convention had no production of the Constantian of the Constantian, he of the time of the qualification of very solid presents the qualification of very solid presents of the qualification of very solid presents of the production of very solid presents of the qualification of very solid presents of the right of them who claim to vide of the right of them who claim to vide of the right of them who claim to the region of the con-trol of the convention is not claim to the pro-posed to generate the production of the present of legislation, because the displa-tion of the convention of the con-trol as more them. Therefore is incide that the solid will have a right to vote the that shocks will have a right to vote the con-tent of the convention of the Constention. ion, every those who are qualified voters to the trentorial laws, vir. adult cit-ens of the United States, who have resid-d six months in the Territory. What will be the surprise of Col. Davis, then be finds that his friends and cod-ther the firm of the surprise of the con-

od six months in the Territory.
What will be the symprise of Col. Davis,
when he finds that his friends and condjutators in the Lecompton Convention have
whelly disrepared his opinions, and have
submitted that part of the Constitution,
which they were willing to part to a vote,
to all the inhabitants of the Territory on the day of the chection? What will this prince of fire-enter-do is this unfortunate indicement. He cannot present that the play adopted by the Convention and disclosed by Gow. WAKKER, for it is well known that the NAKKER, for it is well known that the national product of the first read of the thing that the thing that the control of the fortune of the whole plan of the submission, but to the whole plan of the submission, but to the whole plan of the submission, but to the whole plan of the submission plant to the whole plan of the submission plant the submissio the day of the election?

exaling the true some vs. "

constitution from the people."

Col. DAVIS and his suscentes in Concrows, must adopt one of two alternatives.

Col. DAVIS and his suscentes in Concrows, must adopt one of two alternatives.

A collection of the constitution of the concrowded their powers, as a constitution of the concrowded their powers, as a constitution of the concrowded their powers, as a content, by about the content of the consistuation independent of thevote, as being 
have to very or they must take the Consistuation independent of thevote, as being 
that no very or they must take the Consistuation independent of the consistuation independent of the consistuation independent of the con
