axoning will also be per on a story,
with his celebrated troupe of artists,
remain during the session of the Lesture, which will afford a rich treat to
a persons who are fond of the drama.
tainly nothing can afford more pleasure long winter evenings than nov We see ng to hinder, then, from making the ew mouths the most pleasant and

any to the article beaded "Wanted," in our present issue. Some young lady is evidently tired of walking life's weary way shee; single blessedness has become to her a burden, and, like the cooing down, turns a lay of loneliness, hopping thereby to draw some wandering mate to her side. She is not very extrangant in her demands thartly ciough so,) asking for a moderate control of the control of t thardly chough so.) saking for a moderate share of brains only; one most too sweet to worked to hardsome lover, while one so ugly as to inches to the sake some lover, while one so ugly as to inches the sake share when the spent at home with her around the cleerful fire; and while we suppose all the sake share a country. As for herself, while are not count of his riches, yet the prefers when a country. As for herself, while also not load to the good qualities, and who ento load to the good qualities, and who ento the sake of her sake the sake will be a "princ" to the locky drawer. Some one has said, "It is not good to be sheen," and no doubt many a cost has felt awholesome "diet; and wishen not for a hand-town lover, while one so ugly as well of the control half a man who lives without a part-it shows a spirit of selfishness, and be to his grave perfectly ignorant od and forbearing qualities of the lessing given by the Creator

Woman.
It might not be out of place to here
state, that we are acquained with the author of the article in question, and that
she is a lady of the highest respectability,
and will be a fortune to any man who can
win her and spprociate her fine qualities.

A Hessand, who is not a fright, not et particularly handsome; with an aver A Heraxin, who is not a riggin, and practically handowns; with an average quantity of brain—domestic in his habbe wholesome." Political tendencies of pocuminy matters are of no couse of pocuminy matters are of no couse cost, whetever, to the writer; in fact, to is rather partial to done in a bottage," to ward! If you exist in ward! If you either a wides nor as the is rather partial to "fore in a cottage." As to myself, I'm neither a widow new of maid, a blonde nor a brunnelit; yet I must confess. I've peaned treasty without any offer to use the my facts, affacting i'm het petty nor yet positively ugly. I'm het petty nor any arts. I horselver, it loading deep down is my peans, I find insubsectible unions of good womany with why githers, which my future bashand will correlately experients.
