We have seen M. S. Jehnson's PATENT WIND-POWER attached to a Pump for rais-ong water; it worked perfectly easy and good. DAVID GRAYES, W. E. GRAYES. Sencea, McHenry Co., Ill., Oct. 29, 1856.

I have made a visit to the farm of M. S. Johnson, and witnessed the operation of his WIND-POWER; it is attached to a Pump for the purpose of supplying stock with water.—It worked complete, and can be stopped or regulated by a child in the strongest winds. I

I certife that I have seen Morgan S. John-son's Patent WIND-POWER, raising water, it worked first vate, and is a very logenous contrivance, yet simple, strong and permanent.

Palatine, Ill., Nov. 1, 1856.

I have seen Morgan S. Johnson's Patent WIND-POWER in operation pumping water from a well on his prentiles, it works well, and I think it a good plan for raising water or for any other purpose to while wind can be applied. This machine has a wheel eight feet in diameter, with the THOMAS S. CLARK. Palatine, III., Oct., 29, 1856.
