How we de Answered.

The Lawrence Republican, being unable to combat the Proposition of the English Bill relative to the lard grant, by reason and aggumen, and knowing that it emmel accessfully do as, userted that the bill submitted the Lecompton Constitution to a vote of the people, thereby wishing to deceive them, and conceal its unreasonable and extraordinary bentility to the property of Knanas, under the false pices that it was opposing the Lebompton Cospitation.

The Regulderion says the English Bill submits the Constitution to a vote of the people in the second day of August next. We admit that the acceptance of the land great proposed by that bill will enable the people in the second day of August next. We don't not be decepted after we are then the second day of August next. We don't not be decepted after we are then the second day of August next. We don't not be decepted the case the continuation, should it be decepted after we are then the second that the supported by the Bill students of the don't not be decepted to the property of the decepted the supported by the Bill students of the don't not be decepted to the property of the second day of August not to the Keglish Bill. Those bills submit as the popule and one by a legal vote syciectal its, and what was of more importance to them, in a doing so, they placed their protess over developed process over engine.

In that vote the people committed the constitution and also against the Constitution to a vote of the people' and grants to us the same of theory' and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the same of the property and grants to us the sa
