National Democrat.

A DEMOCRATIC WEEKLY JOURNAL-DEVOTED TO THE PEACE AND PROSPERITY OF KANSAS, AND THE PERPETUITY OF THE UNION.

WHOLE NO. 94.

LECOMPTON, DOUGLAS CO., K. T., THURSDAY, JUNE 2, 1859.

VOL. II.---NO. 42.

DESCRIPTION PROPERTY OF THE PROPERTY OF THE

t was

Here the second section of the second sectio

Fig. Mr. C. A. Fants entitiones to keep out, and a firsh supply of all the popular may be active for the day and dispusses them in a fall be and the supply of all the popular may be active for the day and dispusses them in fall be and the supply of all the popular may be active for the day and dispusses them in fall be all the control of the supply of all the popular may be active for the day and dispusses them in fall be and the supply of the control of the supply of the suppl

included on her derivatival rate.

One Caste — It is win, just print we are an article the just print we are an article the just just print when the print we are an article that print and print when the print we are a supported and print when the print we are a supported by the print when t

ceivem and emiddence of his numerous customers. We wish him much success.

MILL—We revinformed that Mesers. Reer
Historians we not busing suggest in the
extention of the 2011, and transplant of the
precision of the 2011, and transplant of the
precision of the 2011, and transplant
the following of the property and the
following of the property and
into breakfulfit, we can canalize curvolves as
much better condition than before. All
successful the community in which they are.
Let the XIIII be put in operation at the earliest
precision is consuming to which they are.

Let the Millbe pai in operation at the sense precision be assured.

BCHANESS—In point of builares, Locomposite inferier to no chert towns en the Kannas River. Her merchants and mechanics are subulyeigaged in their respective transless, and seem to prosper. Stembertz arrived to country, and all clusters of omposite are better the country, and all clusters of omposite are better ferfillisted in proceeding the work of the country, and all clusters of omposite are better for the country and all clusters of omposite are better for the country and all clusters of one people are better ferfillisted in proceeding the work property. We see possessed the page to work property. We are possessed of the manual of becoming a most processor and happy people, and why prot and supposite of the clusters of the contribute of the clusters of the contribute of the co

Tenter Regon.—The police proceedings for the month ending 21st May, 1860, show a considerable change for the better. A review of the Record shows the following to be a re-state of affairs in the above department of the

city government:
Assault and battery....
Disorderly conduct....
Disturbing the peace....
