TESTIMONIALS.
 "Having had one of Grover & Baker's Machines in my family for nearly a year and a half, I take pleasure in commending it as every way reliable for the purpose for which it is designed—Family Sewing."—*Mrs. Joshua Leavitt, wife of Rev. Dr. Leavitt, Editor of N. Y. Independent.*
 "I confess myself delighted with your Sewing Machine, which has been in my family."

"After trying several different good machines, I preferred yours, on account of its simplicity and the perfect ease with which it is managed, as well as the strength and durability of the seam. After long experience, feel constrained to speak in this manner and to advise requiring no adjustment, and is easily adapted to every variety of family sewing, by simply changing the spools of thread."—Mrs. Elizabeth Strickland, wife of Dr. Strickland, Editor N. Y. Christian Advocate.

"I have used a **GROVER & BAKER Sewing Machine** for two years, and have found it adapted to all kinds of family sewing, from Cambric to Broadcloth. Garments have been sewed out without the giving way of a stitch. The Machine is easily kept in order, and easily used."—Mrs. A. B. Whipple, wife of Rev. Geo. Whipple, New York.

my family the past two years, and the ladies request me to give you their testimonial to its perfect adaptedness, as well as labor-saving qualities in the performance of family and household sewing."—Robert Boorman, New York

"For several months we have used GROVER & BAKER'S Sewing Machine, and have come to the conclusion that every lady who desires her sewing beautifully and quickly done, would be

able and indelible "iron necks" women, whose combined qualities of *beauty, strength, and simplicity*, are invaluable."—J. W. Morris, daughter of Gen. Geo. P. Morris, Editor of the Home Journal.

Extract of a letter from THOS. R. LEAVITT, Esq., an American gentleman, now resident in Sidney, New South Wales, dated January 12, 1858:

"I had a tent made in Melbourne, in 1855, in which there were over three thousand women."

"If Homer could be called up from his murky haunts, he would sing the advent of Grover & Baker as a more benignant mermaid of art than was ever Vulcan's smithy. He would denounce mid-night skirt-making as the direful spring of woes unnumbered."—Prof. North.

& Barker Sewing Machines have more than sustained my expectation. After trying all returning others, I have three of them in operation in my different places, and, after four years' trial, have no fault to find."—J. J. Hammond, Senator of South Carolina.

"My wife has had one of Grover & Baker's Family Sewing Machines for some time, and I am satisfied it is one of the best labor saving machines that has been invented. I take

"It is a beautiful thing, and puts everybody into an excitement of good humor. Were I a Catholic, I should insist upon Saints Grover and Baker having an eternal holiday in commemoration of their good deeds for humanity."
—Cassius M. Clay.

"It is simply, very neat, and durable in its work; is easily understood and kept in repair. I earnestly recommend this Machine to all my acquaintances and others."—Mrs. M. A. Forrest, Memphis, Tenn.

"If used exclusively for family purposes, with ordinary care, I will wager they will last me 'three score years and ten,' and never get out of fix."—John Erskine, Nashville, Tenn.

"I have had your Machine for several weeks, and am perfectly satisfied that the work it does is the best and most beautiful that ever was made."—Maggie Aimson

"I use my machine upon coats, dress-making, and fine linen stitching, and the work is admirable—far better than the best hand sewing, or any other machine I have ever seen."—Lucy B. Thompson, Nashville, Tenn.

"I find the work the strongest and most beautiful I have ever seen, made either by hand or machine, and regard the Grover & Baker Machine as one of the greatest blessings to our sex."—Mrs. Taylor, Nashville, Tenn.

"I have one of Grover & Baker's Sewing

"I take pleasure in certifying to the quality of the Grover & Baker Sewing Machines. I have used one on almost every description of work for months, and find it much stronger and better in every respect than work done by hand."—Mrs. D. W. Wheeler, Nashville, Tenn.

"The Grover & Baker Sewing Machine for a large amount, could I not replace it again at pleasure?"—Mrs. H. G. Soovel, Nashville, Tenn.

"Our two Machines, purchased from you, do the work of twenty young ladies. We with pleasure recommend the Grover & Baker Sewing Machine to be the best in use."—N. Stillman, Memphis, Tenn.

"The Grover & Baker Sewing Machine works admirably. I think the stitch and work for embroidery that of any other Machine."
