State Democratic Nominations.

The recent Democratic Convention,

which met at Leavenworth, placed in nomination

a State ticket under the Wyandott

Constitution, which recommends itself to all

men who have the real interests of the

young State at heart. At its head stand

the names of SAMUEL M'DRARY, for Governor

—a gentleman distinguished for his ad-

ministrative abilities; one who has had

experience in governmental affairs, and who

will lead us even in Kansas. He is the

guard of Governors'—live, not in the

affections of his people. No man, perhaps,

was ever greeted with a greater storm of

inveective; upon no man's head were the

blows of Abolition wrath more unceasingly

hurled than upon him, when it was first

announced that he had accepted the

appointment of Governor of Kansas.

Throughout the entire country each Abolition

club, with all the diabolical malignity

that political depravity could dictate,

opened a war upon him. Yet, despite this

cry and howl raised to poison the

mind of the people of Kansas against him,

he came amongst us, nothing daunted by

the long array of disappointed Governors,

discharging his official duties impartially and

faithfully, treating the route to the people

wherever he went. He came at a time

when it required more executive talent to

discharge the duties of his office as Governor

of Kansas, than a similar position in

any State of the Union would have required.

The Territory was distracted and

disorganized; a reckless spirit of insubordi-

nation and anarchy was being manifested

in various portions of the Territory. The

people among many was that of

"might, not right." Yet, in the face of

so low a state of the State of Ohio as the

"war horse of Democracy," has brought

order out of chaos, and caused peace and

quiet to reign throughout our borders.

For this people of Kansas feel that they

own him a debt of gratitude, which they

express to part by vote on the 6th day of

December, when he will be elected a good

word of authority for Governor. Let every

man, then, be at the polls on that day, and

vote for SAM. M'DRARY, THE CHAMPION

OF BONA FIDE RIGHTS OF ALL THE STATES

OF OUR COMMON COUNTRY.

JOHN P. SLOUGH, —the Democratic

nominee for Lie Governor, is one of the very

best nominations that could have been

made—a man of ladylike appearance,

of dignity and worth—endowed by nature

with the highest order of talents, he has

spared no pains in their most careful cul-

tivation. He is thoroughly acquainted with

penmanship rules and usage, and will

make a most excellent presiding officer,—

combining, as he does, all the elements

which go to make up the man. He has

a sound judgment, with decision of char-

acter and energy of mind. He is a sound

lawyer, and will reflect honor on the

of Lie Governor of Kansas.

For Secretary of State, the nominee is

our talented friend, A. P. WALKER, of

Douglas county, who is a thorough and

good Democrat, and every way qualified

for the office. He is well known in our

circle, and has met the opposition on the

stage on various occasions. He has not

yet come out second best. He has not

alone he has advocated the true principles

of the Kansas Nebraska bill, and through

a Southerner by birth and education, fully

acknowledged the power of the people to

settle matters of public policy for them-

selves under the Constitution of the Uni-

ted States.

With such a man as our nominee, there

is no need of saying that he will be elected.

A partisan editor who will re-

spectfully acknowledge that the purpose of

the purpose of defeating political

point, is unworthy to set upon the tri-

pod. This charge is wholly false. No

man in Kansas has ever seen Judge Wil-

liams in the slightest degree affected by

liquor. He has for a number of years been

a consistent and worthy member of the

Methodist Church, and his life has been a

model of purity, as that of any man in

Kansas. He has for many years been

because the Judge was a Methodist, and a

disposition has been manifested by a cer-

tain wing of the Republican party to war

upon this sect. No defense of Judge

WILLIAMS' private character need be made

to those who know him personally.

Let all who wish to see the laws of their

country truthfully and impartially inter-

preted, rally to the support of Judge

WILLIAMS, the man of high moral char-

acter and eminent legal ability.

SAMUEL A. STINSON, for Associate Jus-

tice, (4 years), is recognized by the bar of

Leavenworth, where he has been engaged

in the practice of his profession for several

years, as an able jurist. Perhaps there are

but few in the Territory who are more

thoroughly acquainted with the intricacies

of the law, or who could be so well fitted

to the duties of the office of Associate Jus-

tice, as SAM. A. STINSON. He is

honest and talented, and we would recom-

mend the people of Kansas upon his elec-

tion.

ROBERT S. MITCHELL, for Associate Jus-

tice, (2 years), is well known to the people

of Kansas as the able Representative from

Lincoln county in the last Legislature of the

Territory. It is considered by the people

of Kansas as the first order of the

territory, and his integrity has never been

questioned. Some of the able Abolitionists

of the Territory have been disposed to

hear down upon him because he will not

permit himself to be led by such men as

sympathize with "free law" and "John

Brownism." Having always been a Free

State man, he acted with that party up to

the time of the "free law" and "John

Brownism." He is a gentleman of the first

order, and his integrity has never been

questioned. Some of the able Abolitionists
