General Wm. P. Richardson,
hera Division Kansas Militia :
—Your dispatch of the 20th inst.,
indicating the fact that you had in
force of law, [See Kansas Statutes,
§, Sec. 26.] ordered out the militia
Division to repel the present in-
vasion of the Territory by armed
men from distant States, has this morn-

—The Marshall of the 1st Brigade is or-

You will report to general Weitzel with the remainder of your men at the earliest practicable day. You should order the most rigorous discipline to be given to protect the life and property of all peaceable citizens regardless of party and political differences of opinion. No quarreling against the policies of men, but against lawless men, invaders, outlaws and thieves. No house should be destroyed and no evidence exists that the people are arseful for the most part. Yours Truly, J. M. Terrell
