danks of the casson.

The smallest creas-road politician in the United States, would think it an insak to bis moderate and in the called their active; cores reload beys would view them with the most philosophic gandenpt. We had been laboring under the clusion that Gov. Robinson, as hepleases to style himself, had some claims to the greatness which be employ, but that in now cleared ways, and we can had regard him as both knows and fool.

But it is not called. of Free Lovers' that arrive.

Some The President of the United States
has issued a proclamation for the issle of
the trust lands of the Loves, Wes and Deleaves three of Indians, in the months of
the real for the lands of the Loves, Wes and
the second, and 365,000 call of the second and
asked tribe, to be offered for rath. The
ands harval Bosen classified and specialed, and will be offered for trails. The
lands harval Bosen classified and specialed, and will be offered for sale and sold
to the highest bidder for cash only previded that no tract will be sold for less
than the appraised value. These lands
are appraised in quarter-sections, and are
corporated as being very choice and desirable.

The Delaware trust lands mentioned

as and fool, are it is not to this glaring defect the way wish particularly to draw attention to the test of the cool, brazen impudence assurement of these scoundrels. They on respectfully ank, or petition the ident cleet, to lend his influence to ccions, an cry choice and continue to the property of the continue to the cont

THE RIVER.—We cannot YPT assert the fact that Lecompton has been cheered this year by the appearance of a steamboat. The 'Jacona' man up as far as Lawrence, where she unleaded outlearned back. At the present time the river is thing, with sufficient water in the characteristics, with present the characteristics of the APT terminal for APT terminals, "and if yer comes along ?"

THE LECOMPTON UNION. Second—they rea

soo all alght.

The Kowe passed the joint resolution from the Swanty, directing appropriate from the Swanty, directing appropriate from the Swanty, directing appropriate from the Swanty direction of the Swanty carried—119 to 20.

The Speakes, user 12 colock, resumed to Control and the the Control disquest address in acknowledge material of the Swanty direction of

SKOND DISPATCH.

The Bafes have been opened before the Committee. Errans & Watson's Salamander was found to be on fire inside. There was no fire in Farrel & Herring's. It is a comple triumph for the HERRING'S Patent Champion Bafe.

THIND DISPATCH.—Feb. 28.
