

THE WEEKLY UNION.

SATURDAY, APRIL 15, 1857. VOL. 18, NO. 16.

ADDRESS OF

MON. F. P. STANTON,

Secretary and Acting Governor,

to the People of the Territory of Kansas.

Fellow Officers.—The Hon. Robert A. Walker, present Governor of the Territory, accepted his appointment from the President, upon condition that he should not be required to leave Washington until the 11th May next. Circumstances beyond his control render it impossible for him to start before that day; he may therefore be expected home about the middle of next month and will then assume the executive authority of the Territory.

During the absence of the Governor, by the organic law of the Territory, the whole duties and responsibilities of the Executive are devolved upon me by virtue of my commission as Secretary. In assuming to exercise the functions of this high office, at this critical juncture in the affairs of the Territory, it is not inappropriate that I should briefly indicate the course which I shall feel it my duty to pursue.

The government of the United States recognises the authority of the Territorial government in all matters which are, with in the scope of the organic act of Congress, and consistent with the federal constitution. I hold that there can be no other rightful authority exercised within the limits of the Territory, and I shall proceed to the faithful and impartial execution of the laws of the Territory, by the use of all the means placed in my power which may be necessary to that end.

The government, especially regarding the Territorial act which provides for enabling a convention to form a constitution with a view to making application to Congress for admission as a State into the Union, has been very lenient. And so lenient, and I shall proceed to the faithful and impartial execution of the laws of the Territory, by the use of all the means placed in my power which may be necessary to that end.

Any person knowing the whereabouts of W. H. HENSON, would confer a favor upon his friend John Henson, now in Leavenworth, by marking him down. Said Henson is from Illinois; and was last seen in Weston, Mo. Kansas and Western Mo. papers are requested to give this paper publicity, through their columns.

THE UNION will be preaching in the Masonic Hall in this city, on next Sunday—morning and evening.

A verdict of the N.C. ass. legislature, when the election of Clark came upalled out: "Mr. Speaker, I move we take no votes." The whole house burst into a roar, and no knowing what it might, vented his feelings. What will the world think, when that is all that's known anything about those three *black parliamentary rats*?

The Democratic Convention of Leavenworth, assembled on Saturday evening on Monday, and before adjourning made the following nomination: Hon. George W. F. Parker; for Supreme Judge; Hon. Elihu Lewis; for Chief Commissioner; Hon. N. Strickland.

No man who can read is content to have a newspaper read to him by another. The moment you lay down the sheet, he picks it up and reads the paragraph, *sic*,—as if he could believe his eyes, but couldn't trust his ears.

A large party of wealthy emigrants, the Louisville Democrats from Lincoln county, Ky., passed through this city last evening, on their way to Kansas. They had some fully negroed and many more.

THE UNION is authorized to announce: Dr. J. R. Stetson, of New York, has been elected to a seat, at the next October election, subject, however, to the action of the Territorial Legislature. His election will be held on Thursday the 2nd of July.
