The Honorable Congressman Daniel A. Mica
House of Representatives
512 Cannon Building
Washington, D.C. 20510

Dear Congressman Mica:

In the process of producing a program regarding Cubans serving prison terms in foreign countries, who are charged with promoting subversion against the Castro government, we had the assistance of the brothers Guillermo Novo Sampol and Ignacio Novo Sampol, with whom we have maintained contact.

They have asked us at this time to intercede in their behalf to obtain transfers to prisons where they might be nearer their loved ones. Since this request would not in any way alter their sentence, only the place where they would be serving it, I have acceded to mediate for them. In addition, their respective transfers would alleviate the inconveniences their mother and wives must endure in order to be able to see them.

I take this opportunity to thank you for whatever steps you can take concerning this matter, and to ratify myself at your service.

Respectfully,
