Dear Bill:

Pardon the delay in writing. You really picked a fine time for vacation; as soon as you left new car sales went down.

I called West Street the day you were leaving, and they said I'd have to see you in Danbury. I will. I should be able to make it during the next week or two.

I did receive the envelope with enclosed resume, parole order, and Reader's Digest article.

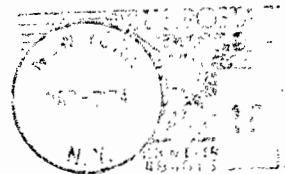

Hope to see you very soon.

Muchos recuerdos de Carmencita. Please let me know what you need, so I'll bring it when I come. If I drive I'll ask Megaly if she wants to come at the same time.

You have my best thoughts
and wishes,

PAUL
