Presupuesto de gastos en el extranjero para el envío de estas personas a distintas partes del país, con el fin de obtener información muy reservada.

Tres personas al punto P. \$100.00
Dos personas al punto I.P. \$100.00
Una persona al punto P. \$100.00

Suponemos que estas necesitan un tiempo prudencial para la toma de contacto con las distintas personas que tienen que instruir y coordinar entre sí. Calculamos que hasta una semana pueden permanecer con las cantidades señaladas anteriormente.

A las que tienen la misión de ir hasta el punto I.P. se les calcula gastos extras por ser mas difícil la obtención de información.

Hemos comenzado las gestiones para que personas que hasta ahora se han ofrecido para cooperar, traten de moverse hacia estas playas, para utilizarlos tal cual se han brindado. Esperamos tener buenos éxitos en estas gestiones.

APPROVED FOR RELEASE 1994
CIA HISTORICAL REVIEW PROGRAM

Miami, Florida, Febrero 23 de 1960.

Al General Manuel Benitez Valdes,
Presidente de la Junta Cubana Anticomunista.
Miami, Florida

Estimado amigo:

Hace pocos días fui visitado por un grupo de compañeros exiliados, para invitarme a cooperar en algo que está tan ansioso por todos nosotros y por la gran mayoría de nuestro sufrido Pueblo, como lo es la Unidad, y está así que era mi deber formar filas en esa patriótica gestión.

En ocasión de aquella visita, y en otra que posteriormente se hicieron al Dr. Cecilio Castellón y al amigo Enrique Fernández Parajón, me fui informando acerca de quienes formaban el Directorio Militar y de igual manera, de quienes integran el Directorio Civil. El sábado ppdo. llegé a mis manos la citación para la reunión de lo que se llamó el Directorio Militar, y sin que la prensa me permitiera tener un espacio de impresiones con mis amigos y compañeros de organización, asistí a la misma, porque además considero que hacer un esfuerzo por nuestra Patria es un deber y una ley común para todos los cubanos.

En dicha reunión se habló del General José Eleuterio Pedraza, con el que me unen grandes lazos de amistad y afecto, destacándose como primera figura en el Directorio, a lo cual condicioné que estuviera resultita su permanencia en este País. En cuanto al Directorio en general, consideré que sus integrantes lo estaban componiendo de modo provisional en esa reunión embrionaria de un movimiento de Unidad, que para que resulte idóneo a los fines patrióticos que se persiguen debe tener representaciones de todos los grupos, comunidad ideológica, y sobre todo que sus miembros tengan una personalidad moral y arraigada ante el Pueblo de Cuba, que les permita desempeñar un papel útil y deter-

ficiones en la lucha a desarrollar por la liberación.

Por las razones anteriormente expuestas, y además por no desequi-
librar la armonía interior de la reunión, en la que pudiere haber sido til-
lado de discordantes, así como por diligencias, debe de describir el documento
que surgió en dicha primera reunión. Pero habiendo transcurrido ya 72 horas en
las que he podido observar que no se proyectarán variaciones en dicho Directo-
rio y considerando, a mi juicio, que en la forma en que está constituido, no
resultará el instrumento idóneo para resolver el grave problema cubano, escogo
en el orden personal disfruto todos de mi existencia, lo rango me considere irre-
vocablemente desvinculado a la Junta Cubana Anticomunista, y se lo haga saber
así a sus componentes, dejando constancia de que tanto mis compañeros de orga-
nización, como yo continuaremos en nuestra labor emprendida y alhajando los
deseos todo género de frutos, y como no tengo la menor duda de que deben es-
tar bien intencionados, ojalá Dios les permita llegar a la victoria final.

En afectuoso saludo y es,

M. Riaz Zarzo.

Dear J. C.:

General Diaz Tamayo, at my request, attended the meeting at which Matthew M. Slepín, Dade County Chairman of the Republican State Committee, is reported by Diaz Tamayo to have said that he had Vice President Nixon's support in an effort to organize a movement against the Castro government.

He indicated that the Cubans should raise \$100,000, which Diaz Tamayo understood to be his fee and organizational expenses. Diaz Tamayo understood him to say that the U. S. government would make available \$200,000,000. I believe Diaz could have misunderstood this and it could have been \$2,000,000.

I am sending you a list of six of the people that attended that meeting. Diaz Tamayo says that twelve attended and all signed a document presented by Slepín.

I am enclosing a copy of the document of the Junta Cubana Anticomunista addressed to General Diaz Tamayo, in which no names are used and each person is assigned a number. Diaz Tamayo's number is C3-2. The man who signed it only initialled it and he had a number which was not reproduced by the copying machine. It was marked "Secreto" across the top, which did not reproduce either. I am enclosing a quick translation.

I am also enclosing a copy of a message received from our contact in Cuba. I have not yet seen Tony but expect to if he arrives.

I did not know that Trujillo had started broadcasting again regarding invasion by Pedraza. He had agreed to discontinue this, but both Trujillo and Pedraza feel so discouraged that no help will be received from anywhere and that they are on their own that they are likely to make errors of judgment that can be costly in the long run. This can be prevented if some contact with Pedraza is maintained that will convince both him and Trujillo that Pedraza's efforts will not be completely wasted.

I told you that Trujillo had agreed to send the mercenaries back to their respective countries. I still believe this can be accomplished unless Pedraza and the 100 or more Cubans are given minimum encouragement.

"Working hard to meet planned schedule" means that Rubio and Rivero are trying to organize the political opposition that was planned. I do not understand the last paragraph, but if either Fabio or I receive this communication through any other source, I will inform you immediately.

I gave Mr. Dulles a copy of the statement presented by the two Cuban priests to OAS referred to in today's Miami Herald. I am sending you a copy for your records.

I believe it very important that we bring up from Cuba at least two of those that would sign the bonds. One of them would be Emilio Ochoa Ochoa and another one is Dr. Gustavo Cuervo Rubio. The other two could be Carlos Marques Sterling and General Diaz Tamayo. If the contact that we established could be used to advise Emilio Ochoa Ochoa and Gustavo Cuervo to arrange to come up to stay, it would be helpful. If you care to discuss this before we do it, you might call me on Monday.

MEMORANDUM FOR: CIA employee

SUBJECT : Conversation with CIA em-10930 Hours, 19 February
employee

1. I spoke to (1) today at his request about his passing to (2) the information contained in cable. He said that (2) was somewhat puzzled by the message himself. He had had no previous indication of Tony Varona's arriving in Miami on Wednesday or Thursday. He did say, however, that Varona has been mentioned from time to time in the past as being a possible member of the junta which involves Marcus Sterling and several others I believe you are acquainted with. He also said that he didn't know what they were getting at when they talked about the revival of Trujillo broadcasts since he thought he had been successful in persuading Trujillo to knock this sort of thing off. Also, he doesn't know what they're talking about when they say they're working hard to meet the planned schedule; and he is furthermore flabbergasted by their remark that diplomatic pouch is being used to pass things to him through Fabre. He knows nothing about this diplomatic pouch.

2. Internal instructions.

Dear J. C.:

Pursuant to telephone conversation of a few minutes ago, I am putting in an envelope, airmail special delivery, a typed Spanish version of the longhand letter from Rubio together with a longhand English translation. This was received through our arranged contact, brought here by the gentleman who was grounded in Jacksonville, and also a short note from Cardenas, who is the man, as you know, who makes the contacts with the others. When you have these typed, I would appreciate copies being sent here for my file.

I am also enclosing three pages of ideas to be sent to Cardenas. If you want to hold this up until we are able to answer Rubio's letter and have both things go at the same time, it is okay with us.

I am enclosing, also, five suggested paragraphs in answer to Rubio's letter for your consideration.

Kind regards.

Sincerely yours,

Rubio
